THE - Diary of a 49'er

FROM THE BOOK EDITED BY C. L. CANFIELD

Well, I went and stayed until three o'clock Sunday morning and it was a noisy old time if nothing else. There are six young fellows living together in a big log cabin they have built near the flat and all are working on Brush Creek. As I remember their names, there were John Dunn, MacCalkins, Charlie Barker, Henry Shively, Delos Calkins and John Hall. They have christened their cabin Saleratus Ranch and they are certainly the wildest bunch of boys on the creek. Barker had killed a buck down on Myers ravine and and they prepared a regular blowout of a supper: Baltimore cove oysters, venison steak, fried potatoes and dried apple dumplings and it was well cooked. After supper we sat under an old oak tree, smoked our pipes and exchanged experiences. They were all doing well on their claims. There was not a foot of Brush Creek that was not rich and, like everybody else, they were working to make their pile and go back to the States. I could see in spite of all their joshing that some of them were lonesome and discontented. After a while they struck up some old songs. Barker had a sweet voice and sang Scotch airs: "The Banks and Braes of Bonnie Doon," "Highland Mary," and "The Auld Wife of Alder Valley." The Calkins' swore these were too solemn and started a nigger song with the lively chorus:

Did you ever see a gin sling made out of brandy?
Johnny am a lingo lay
Did you ever see a yallar gal suckin' lasses candy?
Johnny am a lingo lay.

We joined in until the woods rang. The bottle circulated pretty freely, but I wouldn't drink—I have not tasted liquor since I left home; told stories, some

Highest and Lowest Altitudes

Alaska excepted, the highest mountain peak in the United States is Mt. Whitney, Inyo-Tulare Counties, California, altitude (14,495) feet.

The lowest point in the United States is in Death Valley, Inyo County, California, which is 280 feet below sea level. Alaska's highest peak, Mt. McKinley has an elevation of 20,300 feet, this being the highest peak in North America.

California was ceded by Mexico to the United States in 1848.

HOSKINS GOES TO MONTANA

NEVADA CITY: Sheriff Richard W. Hoskins left this morning for Cutbank, Montana, where he will pick up Harry Keck wanted for failure to provide for minor children.

CHRISTIAN SCIENCE CHURCH

Christian Science Society of Nevada City holds services every Sunday, in their church at 114 Boulder Street at 11 oclock. Sunday School at 9:45 A. M. Wednesday evening testimonial meetings are held on the first and third Wednesdays of each month at 8 o'clock.

Our Reading Room is in the church foyer. It is open Monday, Wednesdays and Fridays, holidays excepted, from 2 to 4 P. M.

The public is cordially invited to attend our services and visit the Reading Room.

"Doctrine of Atonement" is the subject of the Christian Science Lesson-Sermon for Sunday, April 18, with the Golden Text from I Timothy: "There is one God, and one mediator between God and men, the man Christ Jesus" (2:5.

The following citations are taken from the sermon:

John: "I and my Father are one" (10:30).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage" (p.18).

HARTMAN CAMPAIGNS FOR ASSEMBLY SEAT

LOUIS HARTMAN
Candidate for Assembly

BUSINESS MAN CANDIDATE WILL COVER TEN COUNTIES

NEVADA CITY: Widely known in business, mining and fraternal circles throughout the Mother Lode country and an active leader in his home community, Louis (Lou) Hartman, president of the Grass Valley Chamber of Commerce, is campaigning as a candidate to succeed Senator Allen G. Thurman as Assemblyman for the 6th District, comprising Nevada, Placer, El Dorado, Amador, Calaveras, Alpine, Tuolumne, Mariposa, Inyo and Mono counties.

Hartman conducts his own life insurance agency in Nevada and Placer counties and until recently was the owner and operator of a large grocery and market in Grass Valley. He has had 18 years experience in the insurance business. His activities as a member and president of the Grass Valley Chamber of Commerce have given him an opportunity to familiarize himself with the needs of the counties he seeks to represent in the legislature; he knows their agricultural, lumbering and mining problems. He plans to meet as many of the voters in his district as time will permit.

In addition to his Chamber of Commerce affiliations, Hartman is a member and Past President of a Rotary Club, member of Scottish Rite, Ben Ali Shrine and Blue Lodge of the Masonic Order, and member of the Nevada County Farm Bureau, the Nevada County Planning Commission and Grass Valley Rod and Gun Club. He has given much of his time to the Boy Scouts and Girl Scouts organizations. He is also a member of the Elks Lodge of Grass Valley.

Hartman is married and the father of three daughters.

The Embarcadero of San Frncisco was declared a port of entry in 1835.

of them pretty rocky, and along about eleven o'clock they proposed to serenade the folks up on Selby Flat. Each one took a gold pan and a stick. That was the band and the boys paraded around the flat singing a lot of verses they had made up. Every miner they could find was routed out of his cabin and it was not long before there was at least a hundred in the crowd, banging on the pans and shouting the chorus:

On Selby Flat we live in style;
We'll stay right here till we make our pile.
We're sure to do it after a while,
Then good-bye to Californy.

Of course, the hotel barroom was doing a great business and some of the men got uproariously drunk. One big fellow by the name of Bob Odell began to pick on me because I would not drink and sneer at me on account of the French girl. By and by he called

Miss Gertrude Goyne Resigns School Position

NEVADA CITY: Miss Gertrude Coyne has tendered her resignation, effective at the end of the school year, from the Nevada City teaching staff to the board of school trustees. Miss Coyne has taught school for 56 years, 52 of which have been in the old Washington School of Nevada City and in the newer Elementary School built on the same site.

Her resignation was regretfully accepted by the board. Probably Miss Goyne has a state record in the number of years she has been a teacher. She began teaching in the Willow Valley School in 1892 where she remained for two years. She then taught in the Blue Tent School for two years, and since 1896 has taught school in Nevada City.

The board also accepted the resignation of Mrs. Kathleen Robinson, home economics instructor in the high school. Miss Dorothy Lee of Gridley, Colusa County, was offered the post.

A new set of bleachers, seating 450 was accepted on bids by the board. The bleachers will be installed in the gymnasium.

"Wild Nell, Pet Of The Plains," Wows San Juan P. T. A.

NORTH SAN JUAN: Amateur night, presented by the North San Juan Parent Teachers association, attracted a crowd Saturday evening in Twamley Hall of that town, that taxed its capacity.

Mrs. Michael Ellsworth, the president introduced the association vice president, Douglas A. Buckbee, as master of ceremonies.

William Hoskins sang a number of western songs, Mrs. Edward Baker gave imitations and Mrs. Leo Hammer gave an inspiration reading, as a representative of the North San Juan Women's Club.

The North San Juan Farm Center Ballet gave an outstanding performance for which first prize was awarded. The Native Daughters of the Golden West, French Corral Parlor, gave an old-time fashion show. It was beautifully done and was given the second prize. The Youth Group directed by Miss Lois A. Butz presented a comedy skit entitled: Wild Nell, the Pet of the Plains, that was greeted with gales of laughter.

Mrs. Beulah Harman has charge of serving cakes and coffee.

Mrs. Iva Williamson Awarded 50-Year Pin By Order of Eastern Star

NEVADA CITY: Mrs. Iva Williamson was awarded a 50-year membership pin at the meeting of Evangeline Chapter, Order of Eastern Star this week. The presentation was made by her brother Joseph Stenger. Stenger and his wife, Mrs. Kate Stenger, and Mrs. Annie Sherman, are the other three who have been awarded 50-year pins.

STUDENT TOURS

GRASS VALLEY: The first of a series of student historical tours will arrive Saturday from the College of the Pacific at Stockton. Eighty students will participate in the first tour which will embrace historical monuments, markers and sites in Grass Valley and Nevada City.

Elmer Stevens, past president of the Nevada County Historical Society and chairman of the Nevada County Centennial Committee, aided by George Hallack and Eugene Ingalls will direct the group on its local tour.

E. H. Hocking will display a small model of the ten stamp mill of the Tightner Mine. W. W. Esterley will show pictures in color of Nevada County followed by a lecture from Dr. Rockwell Hunt, director of the California Historical Foundation of the College of the Pacific.

After luncheon Hal P. Davis of Nevada City will take the students of a tour of that city.

KILL DOE—FINED $250

GRASS VALLEY: Laurin H. Moody Jr. of Nevada City and John O. Bevard of Grass Valley, apprehended in the act of dragging a slaughtered doe from the woods along the Dog Bar Road, recently pleaded guilty before Justice of the Peace Charles A. Morehouse Saturday and were fined $250 each.

The arrests were made by Game Warden Earl Hiscox and Deputy Sheriff Percy Watters. The pair were given 30 days in which to pay the fine with the alternative of 125 days in jail. The venison was given to the patients of the Nevada County Hospital.

Veterans' News

Veterans Administration receives hundreds of applications, letters and other documents daily which must be sent to the "mystery file" because they do not contain sufficient identification.

The failure on the part of veterans, schools, training establishments and others to include the claim number, insurance number or other identification makes it difficult for VA to give prompt attention to the claim involved.

In an effort to identify "mystery letters" VA employees must make a complete search of the master files causing a delay in action on the request.

VA urges every person who contacts VA by letter, or in person, to always use a claim or insurance number. If these numbers are not known, sufficient identification such as service serial number, date of birth, full name and address, service rank and organization and date of discharge should be included.

Each month several thousand checks for federal benefits to California veterans or their dependents are returned to the Treasury Department disbursing office because the person to whom the check was made out has moved and failed to notify the Veterans Administration of the change of address.

Checks cannot be forwarded from one address to another. In order to insure prompt receipt of Treasury Department checks, veterans or their dependents are urged to immediately notify the Veterans Administration of a change of address.

QUESTION: My brother, a U.S. veteran of World War II who resides in Canada, would like to know if he can claim unemployment allowance while living there?

ANSWER: No, he cannot draw readjustment allowance for unemployment or self-employment while living in Canada. Residence in the United States, its territories or possessions is a definite eligibility requirement for readjustment allowance.

QUESTION: Will you please tell me what kind of insurance is National Service Life Insurance?

ANSWER: NSLI is mutual insurance. All premium payments go into a trust fund maintained by the Treasury Department and invested in government interest-bearing securities. The interest accrues to the NSLI fund.

QUESTION: Will Veterans Administration guarantee a G. I. loan for an automobile house trailer that I can use during my vacation to house me and my family?

ANSWER: No. Loans for pleasure purposes cannot be guaranteed or insured by Veterans Administration.

President—Harding College

European Check-Up

How would you like to be able to take a five-weeks' trip to Europe to see if what you've heard is true? Mr. Ernest T. Weir, chairman of the National Steel Corporation of Pittsburgh, did just that. He made informal contacts with people of all sorts. Then he had opportunity to interview outstanding men of finance and industry in each country.

Because of Mr. Weir's nationally recognized leadership, and because I consider him a far-seeing and capable observer, I want to give you some of his conclusions.

People Must Work

English businessmen he interviewed think England must work out her own salvation. They said more U. S. dollars poured into England would be harmful. Our $4 billion loan to them has been wasted, they told him, and has kept England from facing problems squarely. "England's greatest need is for better government, more hard work and greater production."

France, excepting war-torn areas, was in about the same physical shape as England. "The most serious condition in France is the black market in money," he added. The black market offers twice as many francs for a dollar as the government allows officially. "The great problems of France are bad government, encouragement of the people to believe they can live without working, and the consequent failure of the people generally to produce."

Follow Up the Money!

Mr. Weir thinks the German people must have full liberty in the reconstruction of their country. He branded the Morgenthau plan, as applied in Germany, "one of the great crimes of history." America should stop lending or giving money without proper planning and full investigation of the use of the money. At the same time, he believes Germany is a safe place to put funds for reconstruction, with proper plans.

The individualism of the people in England, France, and the United States makes communism an unreal danger. He believes the people in these countries will never, for long, permit "the iron heel on their necks." It is his belief that a program financing foreign nations so they will not go communistic is without justification. "People who will stand for Communism will go in that direction irrespective of what we may do to the contrary."

Need for Leadership

Europe is loafing on the job of genuine recovery, he believes. "The day they roll up their sleeves and go to work, recovery will begin." Visitors find the English and French, supposedly starving, working only 40 hours a week. Mr. Weir asks: "Why don't they adopt a six-day week, which would greatly increase the production of all materials?" There are enough resources and manpower. "Given the right kind of leadership and adequate incentives . . . the peoples of Europe would work harder and more productively."

Mr. Weir's phrases "right kind of leadership" and "adequate incentives" suggest the key to this entire puzzle of European difficulties. Take away the profit motive and people lack incentive to work. Then add tax oppression and all the decay of leadership that Europe has had to put up with. The result is unrest and economic chaos. Grabbing the nearest "ism" will not bring prosperity, nor freedom of any kind, for anyone. That is the way to shackles that bind men: hands, feet, and ideals.

her a name I couldn't stand and I knocked him head over heels and would have hammered the life out of him had not the boys dragged me off, and that broke up the party. I went back to the cabin, bid them goodbye, went home, woke up Pard and told him about the things and he advised me to shake Selby Flat. Said they were good fellows, but lack of home ties and restraint made them reckless. I guess he is right—whiskey and deviltry seem to go hand in hand.

Beta Sigma Phi Hears National Officer

GRASS VALLEY: Mary Ann Baker of Purdue University, Indiana, staff representative of International Beta Sigma Phi, was the speaker and guest of the Beta Omega Chapter in Bret Harte Inn last Sunday.

Accompanying Miss Baker was Mrs. Nan Brown of Marysville, vice president of the Northern California area Council of the Beta Sigma Phi.

Miss Baker spoke of the International sorority, its new chapters in Portland, Gridley, Colusa County, and its recently organized units in England, Scotland, France and Japan.

Members were invited to attend the organizational meeting of a chapter in Yuba City, Sutter County, last Monday. The next meeting of the local chapter will take place April 30th, when Founders Day will be celebrated.

Mrs. Marjorie Hendon, president of the Grass Valley chapter presided at the breakfast meeting.

CURNOW LEAVES FOR ASILOMAR MEET

NEVADA CITY: H. A. Curnew, manager of Bank of America at Nevada City, leaves Friday for a three day conference with 600 other key executives of the bank at Asilomar, on the Monterey Peninsula.

At the opening session on Saturday, Bank of America President L. M. Giannini will deliver a keynote address, followed by a free discussion forum. Remainder of the conference period will then be given over to departmental sessions devoted to the betterment of banking services throughout California.

"It's all in line with our institution's habit of leadership," manager H. A. Curnow said today. "We want to be prepared to go along with California's future."

The local banker expects to be back at his desk next Tuesday.

Why Power Curtailment Was Suspended

Abnormally heavy late season rains, new P. G. and E. power, and more power from other sources combine to end shortage

Heavy rains and snows during the last month raised P. G. and E. reservoirs and increased the snow pack in the mountains enough to permit the suspension of curtailment, at least temporarily.

Here is what brought about the change:

1. **January weather in Springtime**... which replenished reservoirs, increased the snowpack and cut the need for unseasonable farm pumping.

2. **New P. G. & E. power plants**... like the 101,000 horsepower Kern Steam Plant near Bakersfield which is expected to be in operation this month, and others coming on the lines soon.

3. **Additional power from other sources.** We are tapping every feasible source of power. For example, increases in deliveries from Southern California and Shasta Dam.

4. **Daylight time and voluntary savings** by our customers. These also helped, and it is important now that they continue.

5. **Water saved during curtailment.** We were able to hold precious water in our reservoirs because of the power cut.

Another appraisal of water and power supplies will be made by June 1.

Meanwhile, We're Working Night and Day on New Generating Plants

Everything possible is being done to rush P. G. and E.'s long-term power building program initiated in 1945. This huge construction program will add nearly 2,000,000 horsepower to our generating capacity in the next 3½ years. Here are some of our major projects which will come on the lines soon:

Kern Steam Plant, near Bakersfield, will generate 235,000 horsepower. The first 101,000-horsepower Kern unit is expected to go on the line in the next few days.

Electra and West Point Powerhouses on the Mokelumne River, will generate 154,000 horsepower. Electra's 133,000-horsepower will be on the line this summer.

Station "P" Steam Plant, San Francisco, will produce 300,000 additional horsepower. It will go on the line this winter.

Rock Creek and Cresta Powerhouses, on the North Fork of the Feather River, will generate 270,000 horsepower. These plants are scheduled for completion in 1949 and 1950.

Another Steam Electric Unit... An additional 150,000 horsepower steam unit at a location as yet undetermined will be completed in 1950.

THANKS FOR YOUR HELP DURING THE EMERGENCY.
We know you will continue to guard against waste of electricity in every way you can.

BAKED SQUASH PUDDING

1¼ cups cooked Hubbard squash
1-3 cup firmly packed light brown sugar
1-4 cup molasses
1-2 tsp. salt
1-4 tsp. cinnamon
2 eggs
3-4 cup top milk

If squash is very moist, cook slowly to evaporate some liquid. Strain squash. Combine with sugar, molasses, salt and cinnamon. Beat eggs; add with milk. Pour into greased baking dish. Bake in moderate oven (325°F) 1 hour 30 min. Serves 4.

TUTTI-FRUTTI TAPIOCA

3 tbs. quick-cooking tapioca
1-3 cup firmly packed brown sugar
Few grains salt
2 cups milk
1 egg
1-3- cup chopped raisins
1-3 cup chopped pitted dates
1-3 cup chopped walnut meats
1-2 tsp. vanilla extract

Mix tapioca, sugar and salt. Add milk. Beat egg; add. Cook over boiling water, stirring constantly, 10 min., or until slightly thickened. Add raisins, dates and nut meats; cool. Add vanilla extract; chill. If desired, garnish with whipped cream, dates and nut meats. Serves 4.

CREAM TAPIOCA PUDDING

BAKED RICE PUDDING

¼ cup rice
4 cups milk
½ tsp. nutmeg
¼ cup sugar
½ tsp. salt

Wash rice thoroughly in running water; drain. Combine with milk, nutmeg, sugar and salt. Pour into greased baking dish. Bake in slow oven (300°F.) 2 hours 30 min., or until rice is tender, stirring several times during first hour. (If desired, ½ cup raisins may be added to mixture before baking.) Serves 4.

CREAMY RICE

¾ cup rice
3 cups milk
6 tbs. sugar
¾ tsp. vanilla extract
¼ tsp. almond extract
Spiced Cherry Sauce

Wash rice thoroughly in running water; drain. Combine with milk and sugar; cover; cook over hot water about 1 hour or until tender. Add vanilla and almod extracts. Serve hot with sauce. Serves 4.

SPICED APRICOT TAPIOCA PUDDING

3 tbs. quick-cooking tapioca
1-4 cup sugar
1-4 tsp. salt
1-4 tsp. cinnamon
1-4 tsp. nutmeg
1 No. 2 can (2½ cups) apricot halves
2 egg yolks
2 egg whites
6 tbs. sugar

Mix tapioca, 1-4 cup sugar, salt, cinnamon and nutmeg. Drain apricots, reserving sirup. Add water to sirup to make 2 cups; add to tapioca mixture. Beat egg yolks; add. Cook over boiling water, stirring constantly, 10 min., or until slightly thickened. Reserve 8 apricot halves; chop remaining halves; add to tapioca mixture. Pour into baking dish. Beat egg whites stiff; gradually add 6 tbs. sugar, beating constantly. Swirl around edge of pudding; place apricot halves in center. Bake in moderate oven (325°F.) 20 min. Serves 4.

PLACERVILLE NAMED

Placerville, El Dorado County, received its present name in 1854. Originally it was known as "Old Dry Diggin's" but was renamed "Hangtown" in 1849 for the number of lynchings that took place there.

The Berkshire breed of hogs was introduced into California in 1847.

LININGS GIVE FIRST

The phrase "brake linings are designed to wear out" is one that puzzles many motorists. The explanation lies in the fact that since something must wear when two surfaces come together the lining is chosen in preference to metal parts that cost more.

HOME DEPARTMENT HI-JINKS

GRASS VALLEY: The Nevada County Home Department has set April 20th as the date for its annual Hi-Jinks. The event will take place in the Women's Improvement Club on South Church Street.

Each of the four groups will present a skit. A potluck luncheon will be served. Mrs. Helga Thompson is chairman of the affair.

COUNCIL ORDERS MAJOR WORKS

GRASS VALLEY: The Grass Valley City Council has ordered its city engineers, McGuire and McGuire, to prepare master plans for major improvements on its more important streets, as required under Collier-Burns Act, under which gas money is shared by municipalities.

The master plans must be submitted to the Division of Highways and receive its approval.

The council ordered that the Pennsylvania reservoir, supplying water for domestic use, be done as a city job. This follows the suggestion of Carlos McGuire who with Kenneth Manue, superintendent of public utilities, and Ted Sohwartz, engineer representative of a gunmite firm, made a survey of the reservoir.

The council authorized the installation of a new tennis net in the single court in Memorial Park.

WM. ENGLEBRIGHT DIES IN TORONTO

NEVADA CITY: Mrs. Grace Englebright received word Wednesday evening of the passing of her brother-in-law, William H. Englebright, in Toronto, Ontario. His death was unexpected although he had been in ill health for the past two years.

Will Englebright was born in Nevada City 59 years ago, being the second son of the late W. F. Englebright. He atended school here and in Washington, D. C. during his father's incumbency as Congressman from this district. He was a U. C. graduate in mining and made mining engineering his life work.

From 1922 to 1927 he had charge of mining properties at Cortez, Nevada for New York people and from there went to Toronto where he took an active part in opening mines and became a member of a syndicate which operated mines at Churchill, on the west shore of Hudson Bay. This venture proved to be not only highly successful from a mining standpoint but it mde him one of the most wealthy operators of the Dominion.

Englebright was a member of the Scottish Rites Kerak temple of Reno, and the Shriners. He leaves to mourn his loss, his wife Miola; a son Wm. R. Englebright; his younger brother Eugene; his sister-in-law, Grace Englebright; a nephew, Harry J. Englebright and two nieces, Mrs. David Hughes and June Fairchild.

NAZARENES TO HOLD REVIVAL

GRASS VALLEY: Rev. and Mrs. Parrot will be holding a Revival Meeting at the Church of the Nazarene beginning Sunday, April 18. For the past few months these talented workers have been holding Revival services in Northern California and many good reports have been heard of their work and program. They play the piano, accordian, harmonica and also sing. Mrs. Parrot shows beautiful flannelgraphs for the children and adults. On Friday evenings there will be shown colored pictures of the Life of Christ. Each visitor who attends will receive a lovely hand made gift. Some of the subjects which will be dealt with are: The Atomic Bomb in the Light of Bible Prophecy, Four Great Signs of the End of the Age now Transpiring, The Mark of Cain—Who Has It?, Armageddon and its Cause, The Church and the Tribulation, What man will Rule the Earth?, and many others of present day concern.

Each afternoon this week there have been prayer meetings held in the Church and these will be continued throughout the Revival. We believe God has a real stirring time and outpouring of the Holy Spirit for our community.

Mr. Parrot is to have charge of of the Childrens Services every afternoon at 3:30 p. m. so be sure to tell your boys and girls so they may take advantage of these entertainments and Bible training. Sr. Farr, a Godly woman and splendid childrens worker will be helping with these services. She is a friend of the pastor, his wife, and others of the church and has been called from Oakland to help pray the victory through.

Don't miss one of these services being held at the Church of the Nazarene, one block west of So. Auburn on the corner of Empire and La Duc streets. There will be three services daily, Prayer service at 1:00 p. m., Childrens Services at 3:30 p. m., and the Evangelistic Service at 7:45 p. m. Come and bring a friend.

"Er, I'm supposed to fight you, according to the programs, which were printed in error!"

Give The Kids A Chance

Every parent whose child rides a bike will want to take a long look at the statistics on bicycle accidents recently totaled up by traffic authorities. Unless something is done about it, the coming year will again see more than 25,000 bicyclists—most of them children—killed or injured in street accidents.

Ever since the coming of automobiles, bicycles have been tolerated somewhat grudgingly as hybrids in the vehicle family—a sort of cross between a pedestrian and a motor vehicle—with neither willing to accept them. Pedestrians don't want them on the sidewalks; motorists call them a nuisance and a danger on the streets. Where there are no proper regulations for their operation, cyclists ride to the right, to the left, through red lights, in and out between moving cars, and sometimes even travel afoot beside their bikes in crowded traffic.

Such a state of affairs is hair-raisingly dangerous. It is unfair to cyclists, motorists and pedestrians alike; for accidents are often caused by cyclists even though the bicycle itself may not be hit in the crash. But perhaps the worst damage of all is to character. Young people are encouraged in habits of recklessness and lack of respect for traffic laws, and this is the worst possible preparation for them as future citizens and car-owners.

Cure for this situation would seem to lie not in outlawing bicycles, but in giving them a respectable place in the traffic family. Every community should welcome a constructive program providing for enforcement of such traffic regulations as apply to bicycles and for their registration, licensing and inspection.

Let's give the kids a chance!

IN CASE OF FIRE

What should the motorist do in the event his car catches fire and he is caught without a fire extinguisher? This question brings an answer that is old but still the standard one. It is to attempt to smother the blaze with what probably is the handiest of materials—dirt or sand from the roadside. Water accomplishes little since it merely tends to spread the flames.

SHORTEST RIVER

Oregon has what is possibly the shortest river in the world. Only 400 feet long and called the D River, it flows from Devil's Lake into the Pacific Ocean. Territorial centennial year visitors can see this unique stream along the northern Oregon coast highway near Oceanlake.

Coal cannot be melted, and is not subject to decay.
